Demon- anonymous god operating alongside major deities of ancient world; Eliom = God {1 Samuel 2:27; 1 Samuel 9:6; 1 King 13:1}

- The Marine Kingdom is a world kingdom in the demonic world.
- Many people have been unconsciously or consciously initiated to water spirit kingdoms by family ties, idolatry, ancestral worship, and sometimes dedicated as little children. Those children become marked and do certain things through-out their life. they have the devil/ wizards mark.

Note: the Marine Kingdom is real in the Old and New Testament

- Isaiah 49: 24-26
- **Job 26: 5**- there are those that live under the water; dead things are formed in the water and the inhabitants thereof
- Every spirit living in the water is a marine spirit
- The marine kingdom is the greatest; most wicked; popular ; well-organized
- Location for other kingdoms far from marine> air, land, outside the planet
- Headquarters: in the Indian Sea
 - Queen of the India Sea- head of the marine kingdom
 - Queen of the Coast- next in line and she resides in the Atlantic Ocean
- knowing more about the marine kingdom helps go deeper into deliverance. There are well-trained people in this kingdom.

Beelzebub- ministers of Satan; in New Testament

- a lot of translation is lost in America
- Satan and demons are destined for defeat and everlasting hell.
- In Old Testament demons associated with pagan
- The following scriptures talk about what people were doing:

Deuteronomy 32: 17

Leviticus 17:7

-psychology and psychiatry are man made concepts (pseudoscience); Young & Freud; looked at things from a paranormal perspective

1 Corinthians 10:20 shows us that there is a line of division between power of darkness and light.

1 Timothy 4:1 seducing spirits will come in and there will be a great falling away

*There's no loyalty on the devils side. He can snatch you at anytime.

- *Marine spirits* have greater influence over people on earth than any other because 70% of the world is covered by sea water and because we can't do without water (body has 90% water). These spirits like coming into bodies.
- Every country, state, region, avenue, city, town, and village have marine exile spirits leading and being assisted by lower level spirits.
- Spirits connect with humans and work powers through humans. They need bodies and work through ritualism, spell casting, etc...The human vessels allows for severe damage to happen.

- We are dealing with very powerful spirits and people that have yielded themselves to those spirits.
- Spirits can come from family line, even as far as 10 generations back.
- Marine spirits can pull up your records (via P.C or magic mirrors) and deal with you without your knowledge through wizards. They can deal with you without your knowledge.
- There are real principalities in high places; can possess man and woman
- Marine spirits can rule over territories and possess people in those territories: Ex> if go to India headquarters you will see people who serve idols and dragons ; symbol for China is dragon. People in these places are either really wealthy or really poor; live under reigning principality which reign over resources.
- America is starting to lose its place as a world leader because sodomites and heathens are in charge, which causes the country to suffer.
- In the past, the Israelites were under a curse for turning their back on God; this is happening to America right now.

Revelation 12:12 > woe to the inhabitants (people who dwell there) of earth and sea; there are creatures in the sea.

- Spirits contaminate people/territories and infest it with demonic powers
- There is an initiation for people who operate in that kingdom

Ways that You Can be Infested or Contaminated

1. Via initiation by ancestors through family lineage; rituals are done over you and your family; masons are part of marine kingdom along with Mormons and Jehovah witness.
2. Via geographical location, even when don't consciously invite the water spirit; if you are a Christian but not in Christ or doesn't have understanding of deliverance/spiritual warfare.
[**Hosea 4:6; Isaiah 5: 13-14**]
3. Sexual Sins; open doors for water spirits demonization; adulterous, masturbation, lesbianism, bestiality, and incest.
4. Involvement in feasts, festivals, rituals, and satanic initiation - some are done in ignorance; fraternity/ sorority/ masonic/ eastern star/ catholic society.
5. Names given to individuals (ex: given African name); If names after God/Godess you should change your name. Pray and ask God what he wants you to be called.
6. Marriage to those who are infected or initiated; If man marries a woman or vice versa they are persecuted by marine spirits.
7. Women bathing in the river that's pregnant. That child will be initiated.
8. Some pastors seeking satanic powers visit the Cecil Shore and make incantations. After that, they have power and wealth that doesn't come from God. Have to prayerfully watch healing ministries because some of them have sold out.
9. Buying artifacts: jewelry; adorning bodies with mermaids
10. **1 Samuel 5: 1-5**> name of the Philistine idol, which means mermaid spirit (Dagon)- mermaid in the Bible. They put the idol in the ark of covenant and it fell face down. **Ezekiel 29: 1-3** (idols scattered).
11. Dropping sacrifices into farmland, rivers, ponds, streams, lakes, oceans, or placing them beside the body of these waters; tossing coin into water and making a wish.
12. Divination or enchantment released on people
13. Eating food cooked by people possessed by water spirits without blessing food.
14. Naming streets/towns after marine spirits, therefore dedicating them
15. Sexual involvement with those who are carriers of water spirits
16. Visiting herbalist for power of protection. It is okay for vitamins and herbs

17. Visiting marine spirit priests (ex: wizards, witches, warlocks, spiritualists, witch doctors); sometimes people visit out of curiosity (curiosity kills the dog...lol..1:15- YT recording); Satan really has a kingdom.

Lucifer is a water spirit. He had a lot of wisdom before falling. He was an Arc angel. Lucifer will be worshipped in a One World Government.

Isaiah 14: 12-17

Luke 10:18

Revelation 12: 3, 9, 12

Ezekiel 28: 12-19 > Fall of Lucifer: He was cast into the sea

Leviathan - powerful mind control spirit; water spirit; has 7 heads

-When doing deliverance, you cut the tail off because it wraps around a bone in the body for anchor. Also ask the Holy Spirit to scale it. [In the book of Job]

-Cast out in the name of Jesus because we have the anointing of Jesus Christ. It is Jesus that delivers. Job was unable to cast Leviathan out. He didn't have the anointing of Christ.

Octopus Spirit- mind controlling marine spirit; world order

-If you are involved in politics, could have this spirit; under psych care and watch movies, could have this spirit as well

-For deliverance cast spirit out and cut off tentacles (they wrap around organs and squeeze that person); casted out in minutes.

Revelation 13:4 > They (human beings on earth); Dragon with Satan; Beast- Polyon
Isaiah 27

Queen of the Coast:

- Wizards in subjection to Queen of the Coast
- Women at higher level of witchcraft than men in the spirit realm
- High level 7 star principality that moves over territories
- All wizards subject to her commands
- Controls ancestral spirits and spirits of curses
- Known as the queen of the air and flies; her natural eyes are closed but she has 4 eyes.
- When initiated into this kingdom as witches can fly with her
- The queen operates over territories

Kingdom of Earth- divided into land, air, sea, and space

- God gave us dominion over every thing on earth. We dominate spirits of the air, land, and sea (not other men).

Two types of marine spirit containers or carriers:

1. Conscious Mariner - container for marine spirits
2. Unconscious Mariner- don't know spirits in body

Marine spirits posses women more so that homes can be scattered. This affects men due to them being the head of their households. They hate men because they are the head. There is a love for fashion because can dress to attract on purpose and walk to attract. Sex is used as the primary tool.

The spirit pushes single women to date married men without remorse. They take delight in breaking the heart of victims to render them emotionally unstable, which causes wrong decisions to be made. The person will be thrown into split personality. Neutralizes will power through sex; unstable in relationships; pretend a lot.

Marine Virgins - children are marked. When you participate with marine spirits then give birth, the marine spirit will take that child.

Star Virgins - marked on palms; nurses in spirit realm; sealed in their private parts; they cannot get married and if they are forced, their partner will die on the eve of their engagement or marriage; virgin can't lose their virginity until the star is removed; whatever they touch is contaminated which is why you don't allow just anyone to touch you; children marked on navel and other places

Jean Dixon- famous psychic

Just because you go to a rich and famous psychic/witch/fortune teller and they give you a prophecy that comes true doesn't mean that the prophecy is of God. The devils hear what's said and try to make it come true. It is not because that person sees anything. Demons are working for them.

Spirit of Dogs

- the Bible says to beware of dogs
- Brings naked women and men; attacks in dreams with naked men and women
- Dream that having sex
- Dog sodomite in Job 30:1

Shepherd Dogs - barks if wolf is coming, but in our times no barking taking place. The ones that have spiritual eyes to tell what's going on are not received by the church and accused of touching God's anointed.

Word of faith teachers are a little off at times; they sometimes teach that Christ dies and went to hell for us. Some say that anyone can die on the cross to save you (ex: Kenneth Copeland).

[Proverbs 26: 11; Philippians 3: 1-3; Isaiah 56: 10-11; Revelation 22:15; 2 Peter 2:22]

We are spiritually blinded when not right with God.

Anem Spirit - water spirit that swallows your prayers if back slidden; swallows blessing and finances

Star Marine Spirits - principalities that control territories

- The star is a symbol of authority
- Very strong and stubborn
- Certain areas you don't see progress and poverty stricken
- Murder, violence, and prostitution
- A spirit called mammon (shown in New Testament) control's Satan's storehouse. It is a golden spirit that has 4 marks; it bids the people to itself and when they live in poverty areas- bind their eyes; it will never see development
- Marine spirits are found everywhere and the star is the head that represents Satan. The star is the only image on Satan's throne.
- Bealzabob is the only demon with access to Satan's throne

Mammon- creator of money = government; either master of mammon or God; Mammon is another name for Bealzabob in Middle Ages; gluttony, riches, and injustice are associated with mammon.

Amok- highest occult in the world; has 3 stars; powerful demon; controls free masonry; originated from Indonesia; means "to make furious/desperate charge; caused by evil tiger that enters into the body and cause evil acts.

Free masonry, odd fellers, and all lodges are controlled by Beal (control magical arts and acts)

Marine stars has 7 stars; 7 stars means that you are dealing with a principality; this is so powerful that politicians go under the sea to obtain it; victims of higher demons have star on head; with regard to deliverance - "we close that 3rd eye/ all seeing eye" which turns them from looking into paranormal world; victims of star want money and power

Sons of Beal (son of marine spirits)- sit at top of the world financial structure; want to bring the world into spiritual captivity; soul snatchers; usually faceless individuals that work behind close doors - human puppets

If anemic can have the vampire spirit coming at night and sucking your blood out.

Squid spirit- looks like a squid; wrap around organs and cause problems (diabetes, etc...)

Deliverance- Take authority of our spiritual bank account. Call back, out of spiritual bank account, every dollar ever invested in Satan's kingdom and command it to be returned to spiritual bank account. Command the devil to pay us back 7-fold. Restore what the canker worm and palmer worm has stolen, according to Joel 2.

Marine spirit cages people. We can send the cages back to where they came from.

(YT: Impact Live Church: Bishop Bob Tacky)

Ezekiel 29:3 - Satan needs vessels. In genesis he uses the snake

Mark 4 - spirit is cast out of man and went into pigs, then into sea

Rahab, Leviathan, Dragons in the sea

Nahum 2:6 - palace under the water and where there is a palace there's a king and queen

You can't set people free if you're not free. People who operate in deliverance must be delivered. You must know the spirit operating in the life of that person. To deal with it you must know it. People need to be set free but can't go to church because they don't know how to get them free and people end up turning else where.

Isaiah 27:1 - Leviathan called serpent

2 Corinthians 1: 3-5 - so if delivered you can deliver. If we are comforted then we can comfort

1 Corinthians 6:16 - can get marine spirit through sex; with sex there is a transfer of spirits

- 2 become one during sex

- Every gift has a counterfeit
 - Marine spirits like the color white. Just like God has ministers, so does Satan.
 - Mark 4:39; Mark 5:3
 - Isaiah 27:1 - called piercing serpent and dragon
 - Isaiah 51:9
 - Job 41- called Leviathan

(YT: Apostle Paul Williams: Freedom from Water Spirits)

Revelation 12: 11-12 - There is marine kingdom under the sea

Queen Coast > Queen of the Sea > Queen Oceans > Leviathan > Python > Witchcraft

[Ezekiel 29; Psalms 74]

Sex in dreams are water spirits

{Prayer: cancel the covenants made in my lineage/ancestry in the name of Jesus}

Need to stand up against covenants. Although I'll still go to heaven, my life here on earth is limited when the covenants are not broken. [ex: Moses gets sick due to uncircumcision of his son. He had purpose but that had to be fixed]

Water spirits - lust, sex, fornication, adulatory, masturbation, joblessness, poverty, and perversion

Eating food in dreams is a smoke screen; in reality being fed human flesh and blood and then you have no power; even fasting yet still eating in a dream is a problem; When this happens, cancel the covenant

Sickness from water spirits- miscarriages; pregnancies that don't get to term, barrenness, diabetes, cancer, anemia (drinking blood), stomach related diseases

{Prayer: Cancel every covenant made with water spirits. I repent concerning this covenant and ask for mercy and forgiveness. I stand on behalf of my family and renounce every covenant. Cover me and my family with the blood of Jesus. I declare that every disguised covenant entered into by eating dreams, renounce it in the name of Jesus.}

Haggai 2:9 - We should be prophesying more than from back then

The devil tries to distort dreams:

{Prayer: Give me the remembrance of the messages you send in my dreams. Make it clear and understandable. Give me interpretation. Block the enemies access to my dreams and visions. I renounce all generational curses}

God talks through dreamworld. He sends messages

Job 33:14

2 Kings 6:17 - eyes opened in spiritual dimension

Genesis 20:3

Genesis 41: 15

Daniel 2 - gift of dreams and interpretation

Matthew 1:20 - the angel of the Lord can visit me in dreams, therefore other demons can do the same if I am not living right or have opened doors

Romans 11: 7 - there's a spirit of slumber to keep me drowsy and tired
[Proverbs 6: 6-9; Proverbs 20:13; Proverbs 24:33] - talk about not loving sleep or will be in poverty. Sleeping too much is ungodly.

There is a "old hag" spirit (might hear things at night); sits on chest while asleep; cant move sometimes or breathe when awake; If have a child, come against spirit of SIDS

Need to sleep and rise up early

There's this guy named Kanzawa Senei (beast master) who claims to be able to interfere with sleep of animals. He uses Chi (witchcraft). He is a warlock.

{Prayer: Fire reign down from heaven on spirits and protect me from them}

Mare - evil spirit or goblin; rides on peoples chest when they are asleep (ex: nightmare)

Incubus - lays on women to sleep with them (Jude vs 8) - when despise dominion, this can happen

Sleep paralysis - held down by demon

Revelation: God cant place me on certain platforms where multiple people and spirits have access and can attempt to come in contact with me if I'm dabbling with anything outside the will of God. God doesn't want to expose me to anything that will harm me. It is better to remain covered and lowly than positioned high, while double-minded. God is just. Adhere to His Word. The greater the doors the greater the access.

There's a merge that can take place in the dream land (ex: wet dreams- physical response to something spiritual) - A oneness happens

Proverbs 31 - says rise up early

Judges 5: 12 - tells Deborah to awake

Isaiah 60: 1 - stay watchful

1 Corinthians 15:34 - wake up

1 Thessalonians 5:5 - a lot of people awake but still sleeping

Romans 13:11 - awake out of sleep; light represents wake up

If you over sleep can corrupt message God gives- oversleep can cause mix up of dreams
