

(YT: Your Youniverse: Greg Braden)

When you make your thoughts and emotions one, you can say to your mountain move away. Marry my thought and emotion then will have the power to speak to the world. When thought and emotion become one (or make with each other), creates the feeling in body.

Prayer: May your thoughts and feelings come into agreement under the Word of God.

How do you marry thought and emotion?

Ask and you shall receive: this isn't done with the voice. Speak to the field in the language it recognizes and it's meaningful.

Create the feeling in your heart as if prayer is already answered - brings answer to you.

[John 16: 23-24](#)

Whatever you ask the Father in my name...hither to. Ask and ye shall receive that thy joy may be full (this is the edited version of what was really said - in the 4th century they took out the 2 sentences that tell us how to ASK).

[Original Aramaic]

“All things that you ask straightly, directly, from inside my name you will be given. So far you've not done this.”

Missing Sentence --> Ask without hidden motive and **Be Surrounded** (FEEL as if) by your answer. **Be Enveloped** (THOUGHT and EMOTION become one) by what you desire, that your gladness be full.

Ask Without Hidden Motive:

- means ask without judgement of the right/ wrong/ good/ bad
- ask without ego
- ask from the heart

Be Surrounded:

- to feel as if
- For those that do not want to believe this from the Bible...Neville says the same thing

Physical reality must respond to the language it understands

So all we have to do is feel the feeling of what it's (what we have asked for) already like and it should happen.
