

## Isaiah

### Summary

The book is the vision of Isaiah, son of Amoz. The prophet received his call from God to ministry “in the year that king Uzziah died.” Isaiah prophesied that the Lord would bring his people back from exile when their punishment was complete. Isaiah described the spiritual condition of the kingdom, which was at a decline and headed to disaster. He called on the people to repent and get right with God. Isaiah is a long book because it deals with the days in which the prophet lived and the time yet to come when the Messiah would return and establish His kingdom of righteousness.

### Author and Date:

Isaiah. 680 BC

### Audience/ Setting:

Southern Kingdom of Judah, during Isaiah’s life. The events took place during Isaiah’s lifetime and afterward.

### Purpose:

To share his prophecies with people in order to prepare them for incoming Assyrian invasions. Encourage people to repent and promise them hope for the future, after exile. Isaiah also promised that a future servant and Savior was coming.

### Key People:

Isaiah
